1. Introduction

It is school policy that all children wear school uniform when attending school or when participating in a school organised event outside normal school hours.

The policy for school uniform is based on the notion that school uniform:

- promotes a sense of pride in the school;
- engenders a sense of community and belonging towards the school;
- is practical and smart;
- makes children feel equal to their peers in terms of appearance;
- is regarded as suitable wear for school and is considered by parents/carers as good value for money.

The school uniform policy is an integral part of the school's commitment to equality and inclusion. The governing body believes the school uniform policy allows all pupils to establish a shared identity and celebrate what they have in common, whilst respecting diversity.

We wish to see the learners with the school logo on their jumper, polo shirt and PE KIT, but this is not compulsory.

The school will also facilitate opportunities for parents to buy second-hand school clothes (which have the school logo on them) on an ongoing basis through contacting the school.

If in doubt, please check with the school office before purchasing items for wearing in school.
